

Shippers Certificate For Kennels

(Shippers must complete form in duplicate)

WestJet Cargo will not accept cats and dogs under the age of 8 weeks for travel by air.			
Air Waybill Number		Animal's Name	
Number of Kennels		Species and Breed	
Age / Date of Birth		24-Hour Emergency#	
All questions must be answered with a checkmark <input type="checkbox"/>			
1	This consignment is properly described, packed and is in proper condition for carriage by air according to the current edition of the IATA Live Animal Regulations and all applicable government and carrier regulations. The animal(s) of this consignment is (are) in good health and condition.		<input type="checkbox"/> Yes
2	I certify that the animal(s) in this consignment is (are) not a strong breed of dog (or any mix thereof) over 6 months old or I am an IPATA registered agent.		<input type="checkbox"/> Yes
3	I certify that the animal will not require any routine medication during transit. Warehouse or airline staff are not able to administer medication of any type.		<input type="checkbox"/> Yes
4	A veterinary document dated within 10 days of travel confirming the animal's fitness to travel by air must be attached to this document for any breed of cat or dog between 8 and 12 weeks old.		<input type="checkbox"/> Yes <input type="checkbox"/> N/A
5	A veterinary document dated within 10 days of travel confirming the animal's fitness to travel by air must be attached to this document for any breed or age of cat or dog post-surgery (including minor modification).		<input type="checkbox"/> Yes <input type="checkbox"/> N/A
6	A veterinary document dated within 10 days of travel confirming the animal's fitness to travel by air must be attached to this document for brachycephalic breeds of cats and dogs of any age.		<input type="checkbox"/> Yes <input type="checkbox"/> N/A
7	As a shipper of a brachycephalic breed of dog or cat, I have properly assessed the risk of transporting the animal(s) by air and am aware of the increased risk of death to the animal(s) in transit.		<input type="checkbox"/> Yes <input type="checkbox"/> N/A
8	Animals taken from the wild have been properly acclimatized.		<input type="checkbox"/> Yes <input type="checkbox"/> N/A
9	I certify that the animal(s) in this consignment are not restricted by national, provincial, or municipal regulations?		<input type="checkbox"/> Yes
10	I certify that the animal(s) in this consignment is (are) not pregnant and have not given birth in the last 7 days.		<input type="checkbox"/> Yes
11	If animals are tranquilized for transport, this must only be administered by a veterinarian. A document signed by the administering veterinarian, detailing the time and method of administration and the name and dose of the medication must be attached to this document. WestJet does not recommend the tranquilizing of animals for transport.		<input type="checkbox"/> Yes <input type="checkbox"/> N/A
12	Has the consignee been advised of the flight details to arrange immediate collection on arrival?		<input type="checkbox"/> Yes
13	I understand I am liable for all costs arising from planned or unplanned well-being stops, including potential overnight kenneling fees that may be required during transit. This includes costs resulting from, but not limited to, delays, cancellations and soiled kennels.		<input type="checkbox"/> Yes
IPATA Registered Agents Only:			
14	For shipments with origins or destinations outside of Canada (including the United States), all import requirements have been reviewed and all applicable documentation, microchips, permits and vaccinations are in place.		<input type="checkbox"/> Yes <input type="checkbox"/> N/A
15	For strong breeds of dog over 6 months old, the kennel meets or exceeds the requirements of CR-82.		<input type="checkbox"/> Yes <input type="checkbox"/> N/A
Kennel size requirements and restricted kennel types:			
WestJet Container Requirements <ul style="list-style-type: none"> • Max. weight, including animal must not exceed 72.5 kg (160 lbs).* • Max. height of containers is 76 cm (30 in).* • Containers must be constructed of rigid material (non-collapsible). • A maximum of two animals of comparable size who are used to cohabitation are permitted to travel in the same container. Animals over 14 kg (31 lbs) must travel in their own container. • A combination of cats with dogs in the same container is not permitted. • Water containers must be non-spillable with outside access for refill. • Floor must be solid, leak proof and covered with a layer of absorbent, non- consumable material (blankets, towels or similar). • If the container has wheels, they must be removed. • Strong breeds of dog over 6 months old must be transported in an IATA CR-82 compliant container. • All other breeds must be transported in an IATA CR-1 compliant container. <p>*an additional size/weight allowance may be available for CR-82 containers by prior arrangement with WestJet.</p>		WestJet Container Requirements By signing this certificate shipper accepts that carriers will not be liable for any loss, damage or expense arising from death due to natural causes, or death or injury of any animal caused by the conduct or acts of the live animal itself or of any other animals, such as biting, kicking, goring or smothering, nor for that caused or contributed to by the conditions, nature or propensities of the animal. In no event will the carrier be liable for death or injury to an animal attendant caused or contributed to by the condition, conduct or acts of the animals. The shipper attests to having accurately described the age, breed and health condition of the animal.
