

Veterinarian's Certificate for Kennels (Domestic Cats and Dogs)

Westjet will not accept cats and dogs under the age of 8 weeks for travel by air.

This Veterinarian's Certificate must be completed and presented with the shipment if any of the following circumstances apply:

- The animal is any breed between the ages of 8 and 12 weeks old.
- The animal is in a post-surgery condition (this includes minor modification procedures such as ear cropping) or is wearing bandages/dressings.
- The animal is identified as a brachycephalic breed of any age (refer to WestJet.com for specific breed information).
- The animal is tranquilized/sedated for transport (not recommended by WestJet). A record of tranquilization must be attached to this certificate detailing time and method of administration, name of drug, dose, and signature of administering vet.
- The animal is a transborder or international shipment (further documentation specific to the country of destination, e.g., vaccination records should be attached to this certificate where applicable).

Animal's Name	
Species	
Breed	
Date of Birth	
Date of Examination	
Name of Examining Vet	
Veterinary License #	

Declaration:

I, the undersigned licensed veterinarian, declare that the animal described above has been examined on the date indicated and has been found to be clinically healthy, free of external parasites and free of diseases contagious to humans or other animals. I believe this animal to be fit to travel by air. This certificate is valid for **10 days**.
